Mayor Wayne Anderson Board of Commissioners Town of Enfield 121 Southeast Railroad Street Enfield, NC 27823

Re: Budget Message

Dear Mayor Anderson and Commissioners

I am pleased to submit the Proposed Budget for fiscal year 2022-2023 for your review. The proposed budget is balanced with no increase to the current property tax rate of 0.927, to include Enfield Fire Tax of 8.9 cents. The total of all appropriations in this budget is \$5,572,210. This is an increase from last year's budget of \$5,305,388. The rational is the increase of revenues and providing more funding in the fund balance.

The budget process is a time for the board to refocus its vision for the community, and to evaluate a plan of service and the financing package that facilitates the fulfillment of that vision. More so than ever before, the board has tried to focus on the task and to bring forward a plan that more clearly reflects the priorities of the board and the citizens. Through the proposed budget, the Town will continue to provide the basic Town services at the current level.

PLAN of SERVICE

The proposed budget was developed while continuing to look to the future. Through financial projections, the Board was presented with the outlook of revenues and expenditures. Based upon these projections, the Board acknowledged the potential gains and shortfalls in the future. To better prepare for the future, the Board not only utilized each department's participation in developing this budget, the Board also openly discussed the current and future service levels along with needing to identify and obtain new funding resources.

COMPENSATION

To retain the present work force and continue to provide a minimal level of service, the choice was whether to reduce the work force, adjust rates, decrease expenditures, or identify new sources of revenue. A reduction in staff would mean that some services would be contracted out or discontinued. The Board agreed to keep the present services and workforce.

FINANCIAL PLAN

Having discussed the task, the Board has undertaken; we would like to focus your attention on the recommended tax rates.

Property Tax Rate

The current property tax rate is .927/\$100.00. The proposed budget includes the current tax rate of 8.9 cents, which will support the basic services provided by the Enfield Fire Department.

Garbage Rates

The garbage rates will remain the same \$16.00 for residential and \$26.00 for commercial.

Electrical Rates

There will not be an additional increase to the electrical rates in the upcoming budget year. The basic charge for residential electrical service is \$14.69 and the cost per kWh will be 13.8690 cents.

Water and Sewer Rates

The Water Availability Fee will remain at \$30.00. The per-thousand rate will be 0-1000 in town \$3.30, out of town \$6.60; 1001-2000 in town \$4.80, out of town \$9.60; 2001-3000 in town \$5.30, out of town \$10.60; 3001-4000 in town \$6.80, out of town \$13.60; 4001-5000 in town \$8.35, out of town \$16.70 for residential and \$2.82 for commercial.

Apartment Water Rates-the availability Fee is \$30.00. The per-thousand rate will be 0-1000 \$6.60; 1001-2000 \$9.60; 2001-3000 \$10.60; 3001-4000 \$13.60; 4001-5000 \$16.60.

The Sewer Availability Fee will remain at \$30.00. The per-thousand rate will be 0-1000 in town \$3.50, out of town \$7.00; 1001-2000 in town \$4.20, out of town \$8.40; 2001-3000 in town \$5.40, out of town \$10.80; 3001-4000 in town \$6.90, out of town \$13.80; 4001-5000 in town \$8.55, out of town \$17.10 for residential and \$2.82 for commercial.

Apartment Sewer Rates-the availability Fee is \$30.00. The per-thousand rate will be 0-1000 \$7.00; 1001-2000 \$8.40; 2001-3000 \$10.80; 3001-4000 \$13.80; 4001-5000 \$16.80.

Security Deposit

The security deposit will increase to \$600.00. Of this cost, \$400.00 is for electrical services, \$100.00 for water services and \$100.00 for sewer services. The Board approved to surrender the customer's utility deposit back in the event of the customer relocating outside of the Town of Enfield's service area and upon payment of all outstanding balances on the customer's utility bills.

Other Rates and Fees

A review of the current rate and fee schedule prompted the need for implementation of the following rate and fee changes: Meter Testing Fee \$25.00, Meter Tampering Fee \$500.00, New Cemetery Plot Fee \$1000.00 per grave, Opening and Closing Cemetery Plots \$650.00; Cremation \$400, Minimum Housing Code \$50.00.

SOUND FINANCIAL PRACTICE

Why is the level of undesignated Fund Balance important to the Town?

It is important to maintain an undesignated fund balance in the major operating funds at a level that would be sufficient to provide financial cushion in the event of unanticipated events, such as loss or major reduction of a revenue source, a sudden economic downturn, or natural disasters. Due to the nature of the area in which we live, we already know natural disasters are coming more frequently. Additionally, based upon revenue and expenditures forecasts, we know that we need to be better prepared.

FUTURE CHALLENGE

The Town will continue to be challenged to provide quality services in the future and to do so in a manner that will be seen as efficient by Town residents. A significant challenge to the Town in the next fiscal year will be to identify additional levels of funding to help alleviate potential shortfalls in the future.

CONCLUSION

In closing, I would like to express my sincere appreciation to the Department Heads, all Town employees, our vendors, citizens and the Commissioners for working together to meet the demanding needs of providing Town Services to our Community. Everyone involved had a little give and take to make this budget a success and I appreciate the competent and professional manner in which this process has been carried out.

Sincerely,

Tyree Davis
